Strategies for Success

December 2009 Strategic Advisor

CLARITY

: The process of "thinking clearly about the problem," transforming an opaque thought into a crystal clear vision.

CONFIDENCE: The process of "thinking clearly about the solution." Identifying the strategies to be applied to the planning gaps that bring forth the crystal clear vision.

COMFORT: A crystal clear vision coupled with success strategies brings a sense of comfort that we are on the path of achievement.

Result: Peace of Mind and Financial Freedom

[Four Money Mistakes You Can Learn From](#)

It's hard to know when the economy will truly recover, although there are signs that things are headed in the right direction. But if you want your own finances to stabilize over the long term, you'll need to evaluate what you've been doing right ... and wrong.
